**VACUUM RECOVERY**  
**SINGLE OPERATOR**

**GRINDING**

**GROOVING**

**REFLECTOR CUT**

**SINUSOIDAL  
RUMBLES**

# GRINDER HOG GH2

GRINDING, GROOVING, RUMBLING

## ADVANTAGES

The GH2 features a grinder head on each side of the truck that is capable of extending outward up to 36" (91.44 cm) from the chassis. The grinder head supports a variety of PCD grinding teeth for different finish profiles.

The GH2 does **not** require a CDL license to operate.

With our Low-Speed Control, the Grinder Hog GH2 can grind at speeds up to 6 MPH (9.6 KM/H). It can reach speeds of 3 MPH (4.82 KM/H) while using 2 heads.

The GH2 comes with a computer controlled profiling (or CCP) package for on-the-fly adjustment of all your profiles. CCP makes it possible for one person to operate both heads simultaneously.

The simultaneous vacuum recovery system of the GH2 utilizes a 2,200 CFM positive displacement blower coupled with our latest noise reduction technology. The debris is collected in the debris tank that dumps to the rear. Vacuum filter conditions are monitored throughout operation.

## SPECIFICATIONS

**GRINDING HEADS:** 2

**CUTTING WIDTHS:** Up to 13" (33 cm) Standard

**HEAD EXTENSION:** Up to 36" (91.44 cm) away from chassis

**VACUUM:** 1x 2,200 CFM 8" Blower

**FILTER:** 141 ft<sup>2</sup> (13 m<sup>2</sup>) of 10 micron

**DEBRIS CAPACITY:** 4 cubic yards (usable)

**LOW SPEED CONTROL:** Up to 6 MPH (9.6 KM/H)

### CUTTING TEETH OPTIONS:

FLAT

ROUND

DOUBLE ROUND

TRIPLE ROUND

## OPTIONS

18" CUTTER DRUM

## THE HOG DIFFERENCE

- 98% of spare parts orders are shipped on the same day they are received, resulting in minimal downtime.
- Hog Tech University - Our New Learning Management System is the perfect place for your team members to receive certification and on-going training. Certified Operators maximize the productivity of your truck while maintaining the highest levels of safety at the lowest operating costs.
- Hog Technologies has a team of engineers and over 100 years of combined real-world experience to create the world's best solutions in every product we manufacture.
- 24/7/365 customer support is available with Certified Technicians within 10 minutes in multiple languages.
