TOOLING

## ADVANTAGES

The HOG Tusk is a one-head attachment for Stripe Hog water blasting equipment that includes PCD grinding teeth and water blasting nozzles.

This extremely powerful combo head brings the best of both worlds into one powerful head. With the HOG Tusk, you can grind the top of the marking down to the pavement surface and water blast the remainder at the surface for zero damage and an incredible profile.

- PLC Controlled cutting depth that is accurate to 10 mil.
- Can mount to multiple different Stripe HOGs
- 1/2 the water | 2x the productivity
- Dual 3" vacuum for simultaneous debris recovery
- Use one simple head instead of two or three. Use Grinder Head
- function only, water blasting head function only, or both functions
- simultaneously
- Quick-connect hydraulic lines
- Downforce Control for a consistent removal
- Option to stow the system on the truck's chassis for long transport
