

# MINI HOG

# MINI HOG: THERMO

## PAVEMENT MARKING EQUIPMENT

### ADVANTAGES

Engine controls located at operators position: For ease of operation at operators position. Easy access to hot oil pump. Hydraulic driven to maintain consistent speed for longer pump life.

Electronic Proportional Throttle With Cruise Control: No mechanical connection to the hydrostatic drive pump with programming capability to adjust for operator.

Skipline, Inc. MS-114 Skip timer system with: Footage counters and speedometer. Three separate pattern selections that can be changed on the fly, USB port for software upgrades, support from a well-established company.

39" (99 cm) Wheel Track and 44" (111.76 cm) Wheel Base for low center of gravity and stability: Keeps unit from tipping side to side which helps in maintaining consistent line widths.

Pressurized bead tank and Mini HOG Pump. Heat exchanger comes standard on the thermoplastic model. Manifold mounted air solenoid valves for ease of service: 4-way and 3-way valves use same manifold.

Pressure compensated hydraulic pump to drive material pump and hot oil circulation pump: Allows for consistent none varying speeds at the material pump and hot oil pump. (Speeds not affected by engine RPM)

### SPECIFICATIONS

**KETTLE SIZE:** 400-600 lbs. (181.4 - 272.1 kg)  
**RIBBON APPLICATOR:** 4", 6", 8", and 12" (10.1, 15.2, 20.3, and 30.4 cm)  
**WHEEL TRACK:** 39" (99 cm)  
**WHEEL BASE:** 44" (111.76 cm)  
**AIR COMPRESSOR:** 8 cfm @ 125 psi (8.61 bar)  
**ENGINE:** 25HP Propane.  
**BATTERY:** 550 CAA  
**CHARGE SYSTEM:** 20 Amp

### OPTIONS

### THE HOG DIFFERENCE

- 98% of spare parts orders are shipped on the same day they are received, resulting in minimal downtime.
- Hog Tech University - Our New Learning Management System is the perfect place for your team members to receive certification and on-going training. Certified Operators maximize the productivity of your truck while maintaining the highest levels of safety at the lowest operating costs.
- Hog Technologies has a team of engineers and over 100 years of combined real-world experience to create the world's best solutions in every product we manufacture.
- 24/7/365 customer support is available with Certified Technicians within 10 minutes in multiple languages.
